We also have an active Facebook Group named "DRV Community / SOITC." It is a private group of other DRV owners.

Membership in our Facebook group does not require membership in SOITC. But you must join SOITC for discounts on rallies and to be on our mailing lists!

There are several other DRV groups on Facebook. Don't confuse other Facebook groups with the SOITC group! They aren't SOITC, so you won't find SOITC activities!

See you on the web!

What's SOITC?

Founded in 2006 as a non-profit group, **Suites Owners' International Travel Club** (SOITC) is the official club for DRV owners. Although completely separate from DRV, we have a very close relationship with DRV and are generously supported by DRV at rallies each year. We Also serve as a liaison between DRV and owners of the DRV Luxury Suites 5th wheels.

Our mission as a social group is to first have fun! We hold rallies and lunch events throughout the year and in various parts of the United States and Canada. Once a year we hold a large "International Rally" which moves each year to a different part of the country.

We also hold numerous smaller regional and state rallies since not everyone can travel to the international rally. It is often easier to meet other owners and make friends at these smaller rallies. During the winter months we host luncheons at local restaurants in some of the "Snowbird states" like Florida, Texas, Arizona and Alabama.
