MOBILE SUITES

by DOUBLETREE RV

When DoubleTree RV began building Mobile Suites, they used a simple philosophy: find out what the consumers want and exceed their expectations. Attention to detail starts from the ground up.

From the 15" framework, 3 water tanks and 3 1/4" R13 wall framing to the incredibly convenient access to all mechanicals and electronics, DoubleTree Mobile Suites are exactly what the name says... *suites*. And the best part is, they are built for you.

Aerodynamically shaped front fiberglass cap designed for maximum fuel efficiency.

Three water tanks – largest capacity in the industry.
 Fresh: 100
 Gray: 75
 Black: 50

15" frame depth – provides incredible strength as well as R27 floor insulation.

Conveniently located multi function hook-up center.

Engineering

3 1/4" thick sidewalls with R13 insulation for efficiency high strength. Better insulation, extremely quiet.
